FILLMORE SPENCER

Dear Mr. Madsen:

I have your petition for cancellation respecting US Trademark Registration 2,415,620 (IMMUNE TREE), which includes a certificate of service.

As I have not been retained for this particular matter, your certificate of service was incorrectly directed to me and should have been directed to the owner of the registration in question.

Should I later be retained for this purpose, you will be notified.

Cordially,
Lynn G. Foster
